Part Four: Not My Future

Luke 24:13-35

October 25, 2020

1. The gospel of Jesus Christ makes lofty and compelling promises about the future for everyone who believes (John 5:24; 10:27-28; Romans 8:28, 37; Colossians 2:13; Hebrews 13:5; 1 Thessalonians 4:17)
2. The Bible reveals that future testing is inevitable for every believer (Matthew 5:11; 2 Corinthians 4:8-10; Philippians 1:29; 4:12; 1 Peter 1:3-9; 4:12)
3. The believer's best preparation for the future is a thorough understanding of what the Bible says.
 - Jesus used Scripture to calm the Emmaus walkers' fears.
 - Knowing the Scriptures encourages us to have hope (Romans 15:4)
