

**In Every Generation**  
**Part Four: Vision (continued)**  
**January 23, 2022**

**From last week:**

1. Reach - communicate the gospel so others can be saved
2. Connect – commit to Christian fellowship
3. Grow – cultivate spiritual maturity

**Today:**

4. Exalt – call to worship (Hebrews 12:18-29)
  - Worship begins with taking God dead-seriously.
  - We are qualified to worship because we've experienced what Jesus has done for us.
  - Our overwhelming gratitude moves us to worship.
  - We worship in the way God accepts.
    - ✓ Reverent awe.
    - ✓ Elevation and exclusivity (Psalm 99:5; Matthew 4:10)
    - ✓ Willing surrender to His complete authority over us (Romans 12:1; Genesis 22:5)
    - ✓ Serving His purposes for us (Romans 1:25; Romans 6:17-19)
5. Serve – care for others (1 Peter 4:7-11)
  - We live with a sense of urgency.
  - We are serious and self-controlled so we pray as we should.
  - We sincerely love others.
  - We welcome others into our circle of relationships without complaining.
  - As good stewards, we use the gift God has given us to serve others.
  - We serve because we know it glorifies God.
