

**You Who Are Spiritual**  
**Part One: God With Us**  
**September 18, 2022**

1. God exists as three persons in one essence.
  - Hinted at in the Old Testament (Deuteronomy 6:4; Genesis 1:26; Psalm 110:1; Isaiah 9:6; Nehemiah 9:30)
  - Revealed in the New Testament (John 10:30;14:9,11; Luke 3:22; Romans 1:4; John 17:5)
2. God is transcendent and immanent.
  - He exists outside his creation (Hebrews 1:3)
  - He is essentially involved in his creation (Genesis 3:8; 6:13; 11:5; 15:1; Matthew 1:16)
3. Jesus is the eternal Son of God who was born a man to reveal God the Father to us (John 1:14-18)
  - The eternal Word took on a human body.
  - He shares the glory of His Father.
  - He is filled with grace and truth.
  - He is fully God and serves the Father by revealing him to us.
4. The Holy Spirit mediates Jesus' presence on earth (John 16:7-15)
  - It's better for us to have the Spirit with us than to have Jesus on earth.
  - The Spirit is sent by Jesus.
  - He convicts every person of sin, righteousness and judgment.
  - He guides believers in the truth.
  - He glorifies Jesus.
  - He sanctifies us (2 Thessalonians 2:13)
