

Come What May
Part One: Joy on Display
Philippians 1
November 13, 2022

1. There is joy in the partnership in the gospel that we share with fellow believers (1:3-11)
That partnership involves:
 - certainty that God will finish what he started in us (1:6)
 - participation in the mission of the church (1:7)
 - growing love for fellow believers (1:8-9)
 - moral excellence (1:10)
2. There is joy in knowing God will accomplish his purpose through us (1:12-18)
 - He can do this when we feel trapped (1:12-14)
 - He can do this when other believers disappoint us (1:15-18)
3. There is joy in committing ourselves to honor Christ, no matter what (1:19-30)
 - By living hopefully (1:19-20)
 - By believing you can honor Christ whether you're blessed or suffering (1:21-26)
 - By working arm-in-arm for the faith of the gospel (1:27-30)
