

**Mastering Money**  
**Part Two: Kingdom Values**  
**Matthew 6:19-34**  
**January 14, 2024**

1. Your heart will love what you treasure most (Matthew 6:19-21)
2. If money is your master, then God is not (Matthew 6:22-24)
3. The antidote to money worry is choosing values that put God's kingdom first (Matthew 6: 25-34)  
These values include believing that:
  - Your life consists of far more than your possessions (6:25)
  - You matter to God (6:26)
  - Worry changes nothing that matters (6:27a)
  - Since God meets the needs of the least of His creation, He will care for you (6:27b-30)
  - God is aware of what you need (6:31-32)
  - When you seek God's kingdom first, God will provide for your needs (6:33)
4. Worrying about tomorrow will make tomorrow worse (Matthew 6:34)
