Pillars of Christian fellowship

1. Restorative admonition (Galatians 6:1)
 - Requires two things:
 - A humble restorer who is led by the Spirit.
 - Believers who are accountable to one another.
2. Reciprocal burden-bearing (Galatians 6:2)
 - We help others face the things that weigh them down, even if it's their sin.
 - This fulfills the law of Christ (John 15:12-14 or Matthew 22:39)
3. Personal responsibility (Galatians 6:3-5)
 - We should not expect others to always carry our burdens for us.
 - Ultimately, no one can carry our burdens for us.
4. Leadership Support (Galatians 6:6)
5. Mutual Investment (Galatians 6:7-10)
 - Because God is just, we will reap what we sow.
 - This is incredible motivation for sacrificial Christian fellowship.
