

Life – Part Three: The Gospel

May 5, 2024

(Selected Scriptures)

1. The gospel is the good news about Jesus' death and resurrection (1 Corinthians 15:1-4; 2 Timothy 1:10)
2. The gospel is interwoven through God's plan from beginning to end (Isaiah 52:7; Galatians 3:8; Revelation 14:6)
3. The antidote for sin and brokenness is to repent and believe the gospel.
 - Jesus and the first believers proclaimed this (Mark 1:14-15; Acts 8:4; Acts 20:20-21)
 - When we believe, we receive Christ's righteousness (2 Corinthians 5:21)
4. It's only by believing the gospel that we can recover and pursue God's design for us.
 - There is no other way to be saved from sin and its consequences (Luke 13:3; John 5:24; Romans 1:16)
 - This produces complete spiritual transformation (Acts 14:15; 2 Corinthians 5:17; 1 Thessalonians 1:9)
