3 initial assumptions:

What comes to our mind when we think about God is the most important thing about us (Tozer)

What we think about God depends completely on our source of information.

The most important, foundational truths God (and us) are revealed in Scripture (17:23)

Who is God?

1. He is creator of all (17:24)
2. He is Lord over all (17:24)
3. He is not subject to us (17:24)
4. He is not dependent on us (17:25)
5. He is the source of human life (17:25)
6. He made the first human being (17:26)
7. He wants us to seek him (17:27)
8. His resurrected Son will one day mete out perfect justice (17:31)

Who are we?

1. We are innately religious (17:22)
2. We do not innately know God (17:23)
3. We are created by God (17:29)
4. We are spiritually confused (17:29)
5. We need to repent of our sin to avoid judgment (17:30)
