

Hold On
Hebrews 10:1-25
December 1, 2024

1. The Law of Moses only foreshadowed a future and better reality (Hebrews 10:1-4)
 - Because it was symbolic, its sacrificial system couldn't produce perfection (1)
 - The continual offering of sacrifices shows that they couldn't remove the guilt of sin (2-4)
2. It was God's plan that Christ would offer Himself as the perfect sacrifice for sin (Hebrews 10:5-10)
 - This sacrifice was predicted in Old Testament prophecy (5-7)
 - These sacrifices were not what God wanted most from people (8)
 - Because Christ's perfect sacrifice fulfilled God's will, it alone can sanctify us (9-10)
3. Christ's one-time sacrifice assures the salvation of all who believe (Hebrews 10:11-18)
 - He's the perfect Priest who offered himself as a sacrifice (11-12)
 - He "sits" in the position of authority with his Father, waiting the final revelation of his authority over all (13)
 - The benefits for all who believe are: (14-18)
 - "Now and not yet" sanctification.
 - Inward spiritual transformation.
 - God's judicial amnesia regarding our sin.
 - Assurance of our salvation.
4. What Christ did for us gives us reason to live with confidence (Hebrews 10:19-25)
 - What we know (19-21)
 - What we do (22-25)
 - Keep confidently drawing near to God.
 - Hold on because we trust God's promise.
 - Because we are looking for Christ return, meet regularly with other believers to encourage them.
