Foundational: The hope of the gospel is the guarantee of life in Christ (1:1-2)
How can I stay true to the Lord in a time of spiritual and moral confusion?

1. Use your God-given gift to serve Him (2 Timothy 1:3-7)
   - It's only available to those who have believed (1:5)
   - Identify and develop your gift (1:6)
   - God will provide the ability to use your gift (1:7)
2. Protect what God has entrusted to you (2 Timothy 1:8-14)
   - It will cost you (1:8)
   - He has entrusted you with the glorious truth of the gospel (1:9-11)
   - God will be faithful to you (1:12)
   - It requires holding on to and following the pattern of healthy Bible teaching (1:13-14)
3. Partner with others who are committed to this mission (2 Timothy 1:15-18)
   - Don't be surprised when others drop out when things get tough (1:15)
   - You are called to lead the mission or support those who do – or both (1:16-18)
